

# ALICIA LUDWIG

RICHMOND

VIRGINIA

Alicia graduated from Virginia Commonwealth University in 1990 with a BFA in Fashion Art and Advertising. Since then, she has experimented with many different forms of media - her favorites being watercolor, encaustic, and photography. She is always open to new ideas and techniques so that she doesn't get bored or stuck in a rut. Her artwork is greatly self-fulfilling, but she hopes that it brings viewers joy and happiness.
