

# ALONZO SAUNDERS

RICHMOND

VIRGINIA

Alonzo Saunders is a self-taught artist who has been gifted with the ability to create wonderful works of art. At the age of five, he created his first piece and immediately knew that he wanted to share his talent with the world. He humbly states, "I am just one of the many tools that God uses to help others see the beauty in this world that can be difficult to see." He achieves this by using mediums ranging from textiles, to digital illustration, to collage, to acrylic paints.
