ANNA HAMBLY

RICHMOND

VIRGINIA

Anna Hambly graduated in 2014 with a degree in Interior Architecture from the University of North Carolina at Greensboro. After graduation, she relocated to Richmond, VA, where she is a graphic designer for the World Art Group. As both a designer and a fiber artist, Anna spends her free time weaving and spinning her own yarn to create custom pieces for clients. Inspired by nature, neutrals, and witty banter, Anna's designs will inspire, comfort, and delight.
