

EMMA SCARVEY

RICHMOND

VIRGINIA

Emma Scarvey earned her BFA from Virginia Commonwealth University in illustration, with accompanying minors in art history and product innovation. Her paintings reflect her background in art history as well as an interest in finding abstraction in color and light. Emma works primarily in oil, but experiments with watercolor, gouache, collage and digital media. She is thrilled to be a part of The World Art Group where she can engage in creative exploration in a professional setting.
