

JULIA MINASIAN

WALNUT CREEK

CALIFORNIA

New ideas and inspiration for creative projects are a constant in California artist Julia Minasian's life. She has been painting since as far back as she remembers and successful in the commercial art world for the last 15 years. Known for her fresh sense of color and innovative style, she has licensed widely in the home and garden décor worlds. Her designs are on china, bedding, kitchen linens, paper, clothing and more. Her whimsical art is spirited and the delight she experiences with the creative process shows through in all her work.
