

MARILYN WENDLING

ELKINS

NEW HAMPSHIRE

Marilyn's zest for life and exuberance are evident in her Alla Prima works in oil. Her command of light and color harmony takes place using a very limited palette of red, yellow, blue & white. Marilyn's passion is translated into her sought after works which she exhibits in local and regional shows, juried competitions and in fine art galleries. In 2009 Marilyn had the distinguished honor of having one of her paintings placed into the permanent collection of the Tennessee Governor's Residence. As of the Spring of 2016, Marilyn, with devoted husband & their two dogs, has made New Hampshire her permanent home.
