

NICOLE KETCHUM

NORTH KINGSTOWN, RHODE ISLAND

Nicole Ketchum, a pattern product designer and entrepreneur, believes color and pattern can go a long way in taking a space to another level. She takes a playful approach to her work — marrying simple lines with bright color combinations. Most times you can find Nicole with glitter on her hands and a sketchbook. She has created modern, stylish and colorful patterns that can work in any space — outdoor or indoor.
