

TANG LING

BEIJING

CHINA

Tang Ling is a photographic artist with 20 years of experience. His expertise in professional photography, photo imaging, professional picture framing and interior art consultation resonate in his work. He travels around the world, discovering the spirit of his subjects. He focuses on shapes, colors, light and movement. The perfect moment disappears in seconds. Abstraction is the language Tang deploys in his creation, utilizing his understanding of what works best for interior decoration. Tang's photography has been widely accepted by interior designers, hotels, offices, as well as residencies. See, watch and think, Tang's photographs will inspire.
