

green

Muted greens are soothing to the eye. This color palette includes deeper, more grey based greens that are rich in their tones.

red
A strikingly bold hue that is sure to catch the eye. Be daring and add a splash of red for a dramatic appeal.

black + white

The versatile hue that represents strength and authority. Black is a timeless and classic staple. Pair with white to create the perfectly balanced contemporary look.

blue

Shades of blue have a calming presence and a sophisticated allure. Add some nautical flair with navy or feel the inky vibes of indigo. These classic blue hues complement a wide variety of styles.

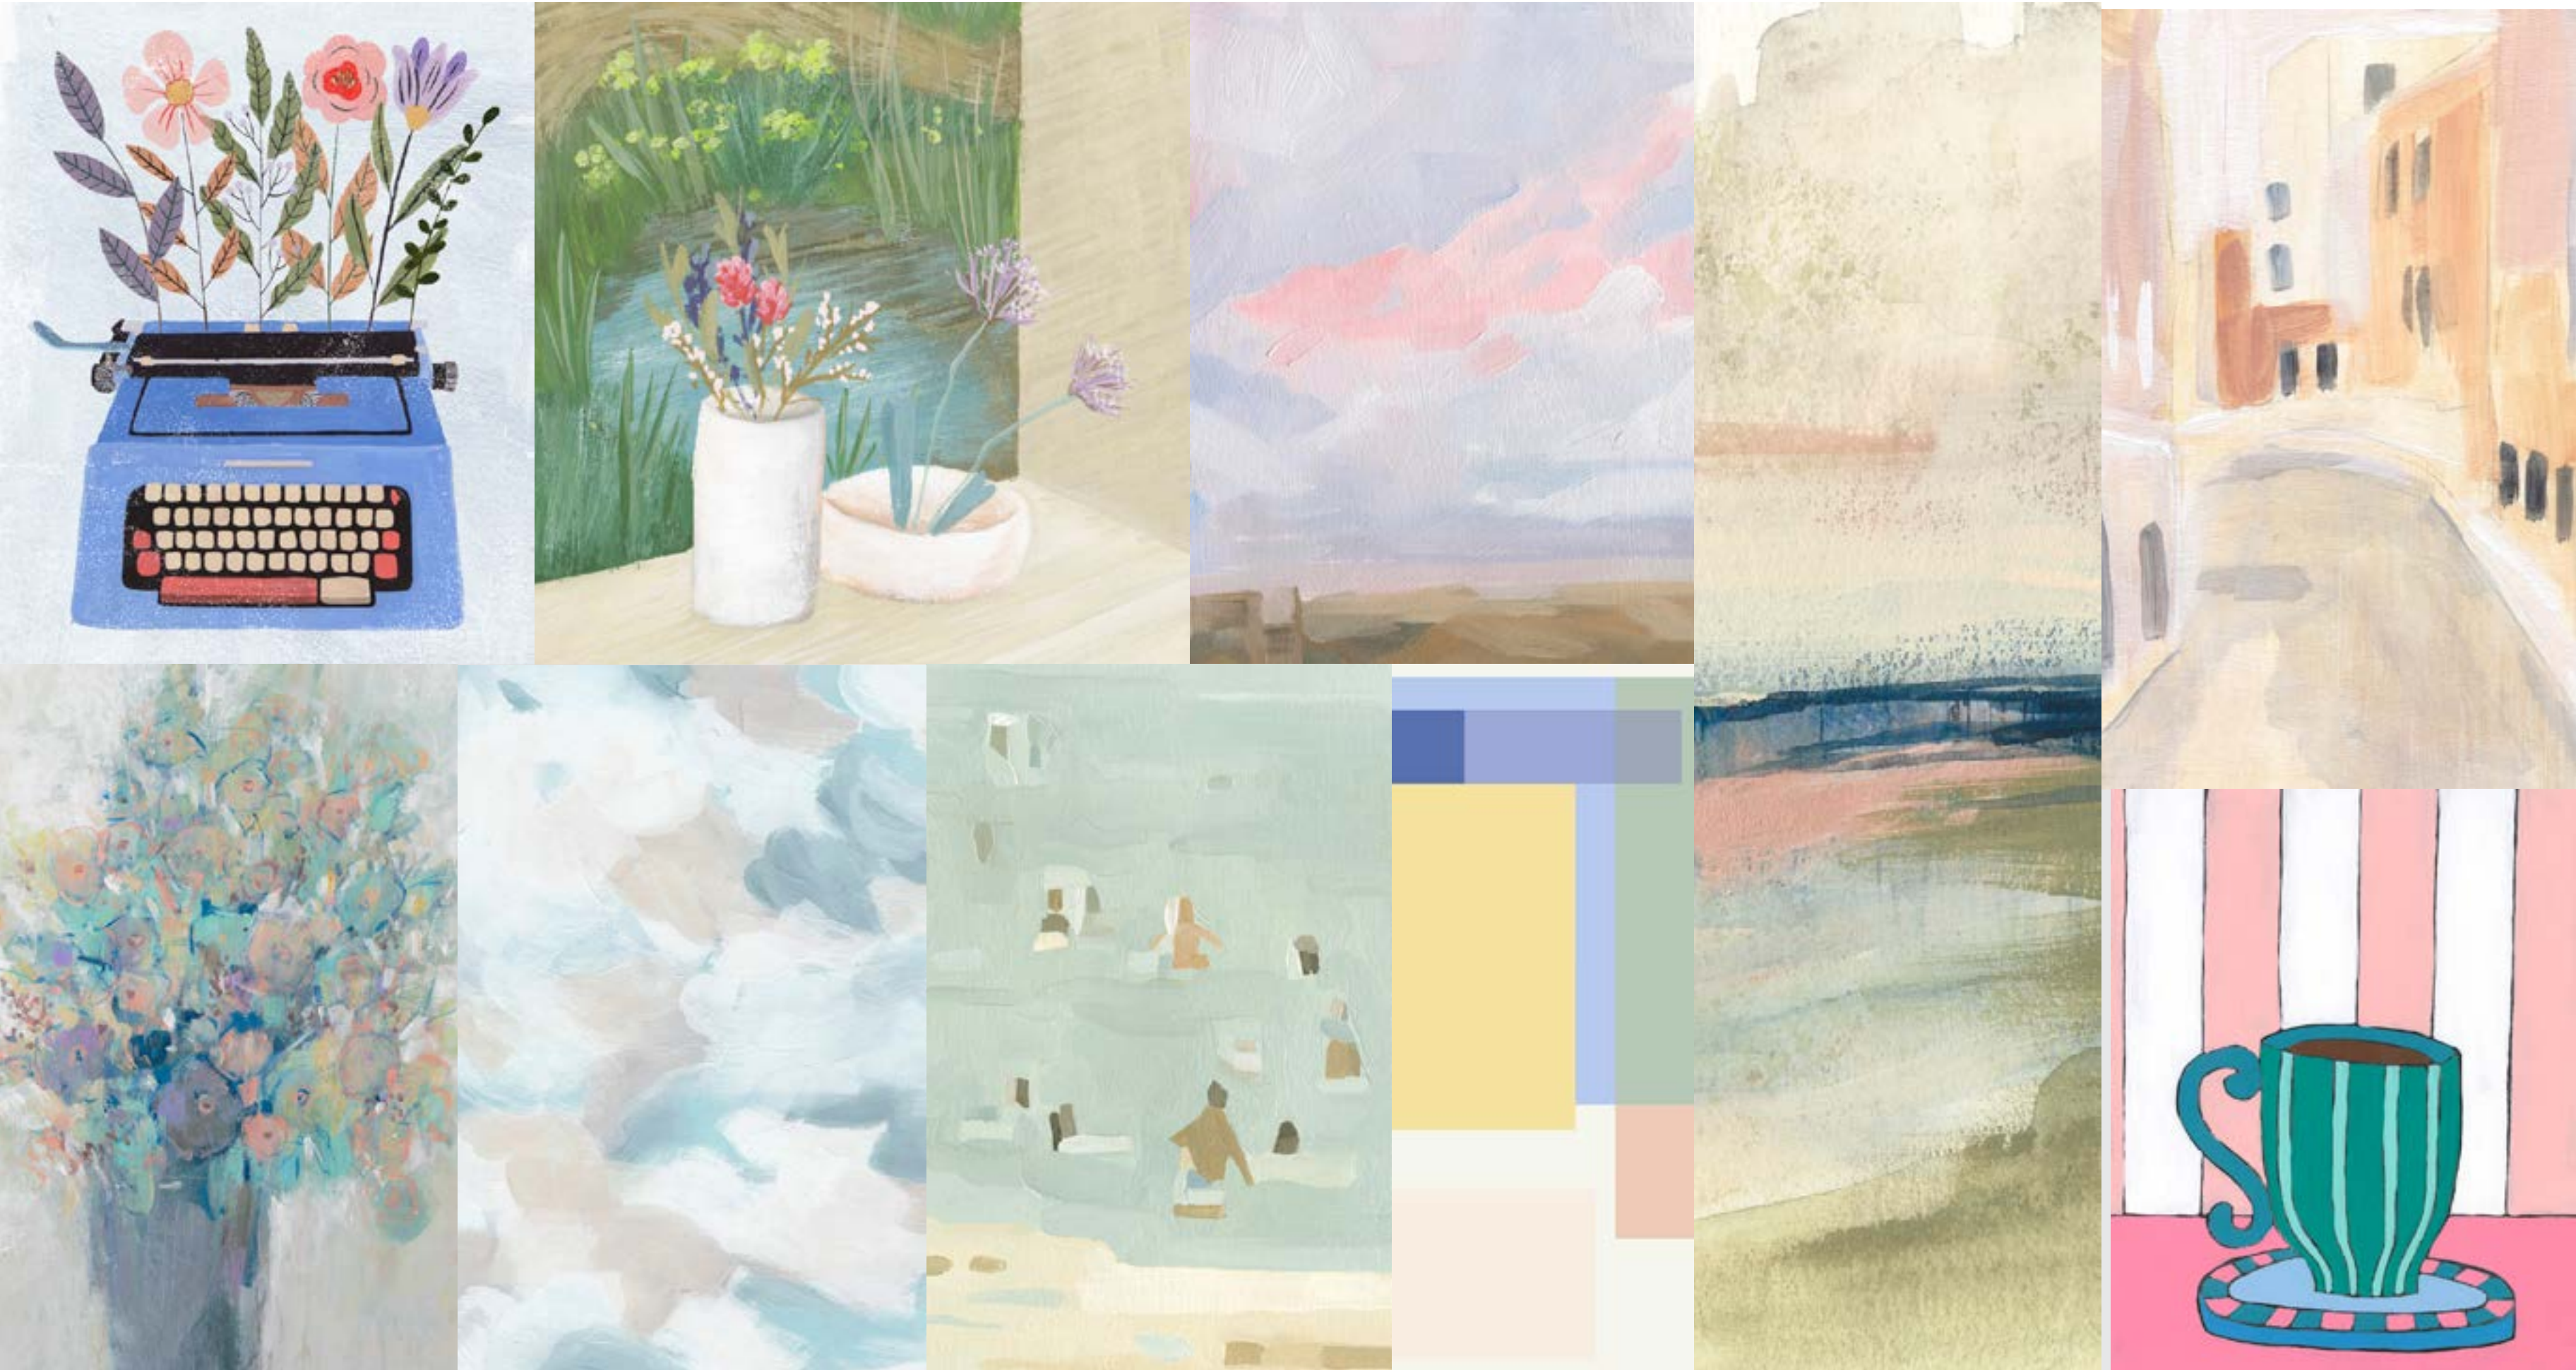

brights

Vibrant, playful and fun. Make a statement with this bold and bright color palette. Blend with softer neutral colors to create a balanced modern feel.

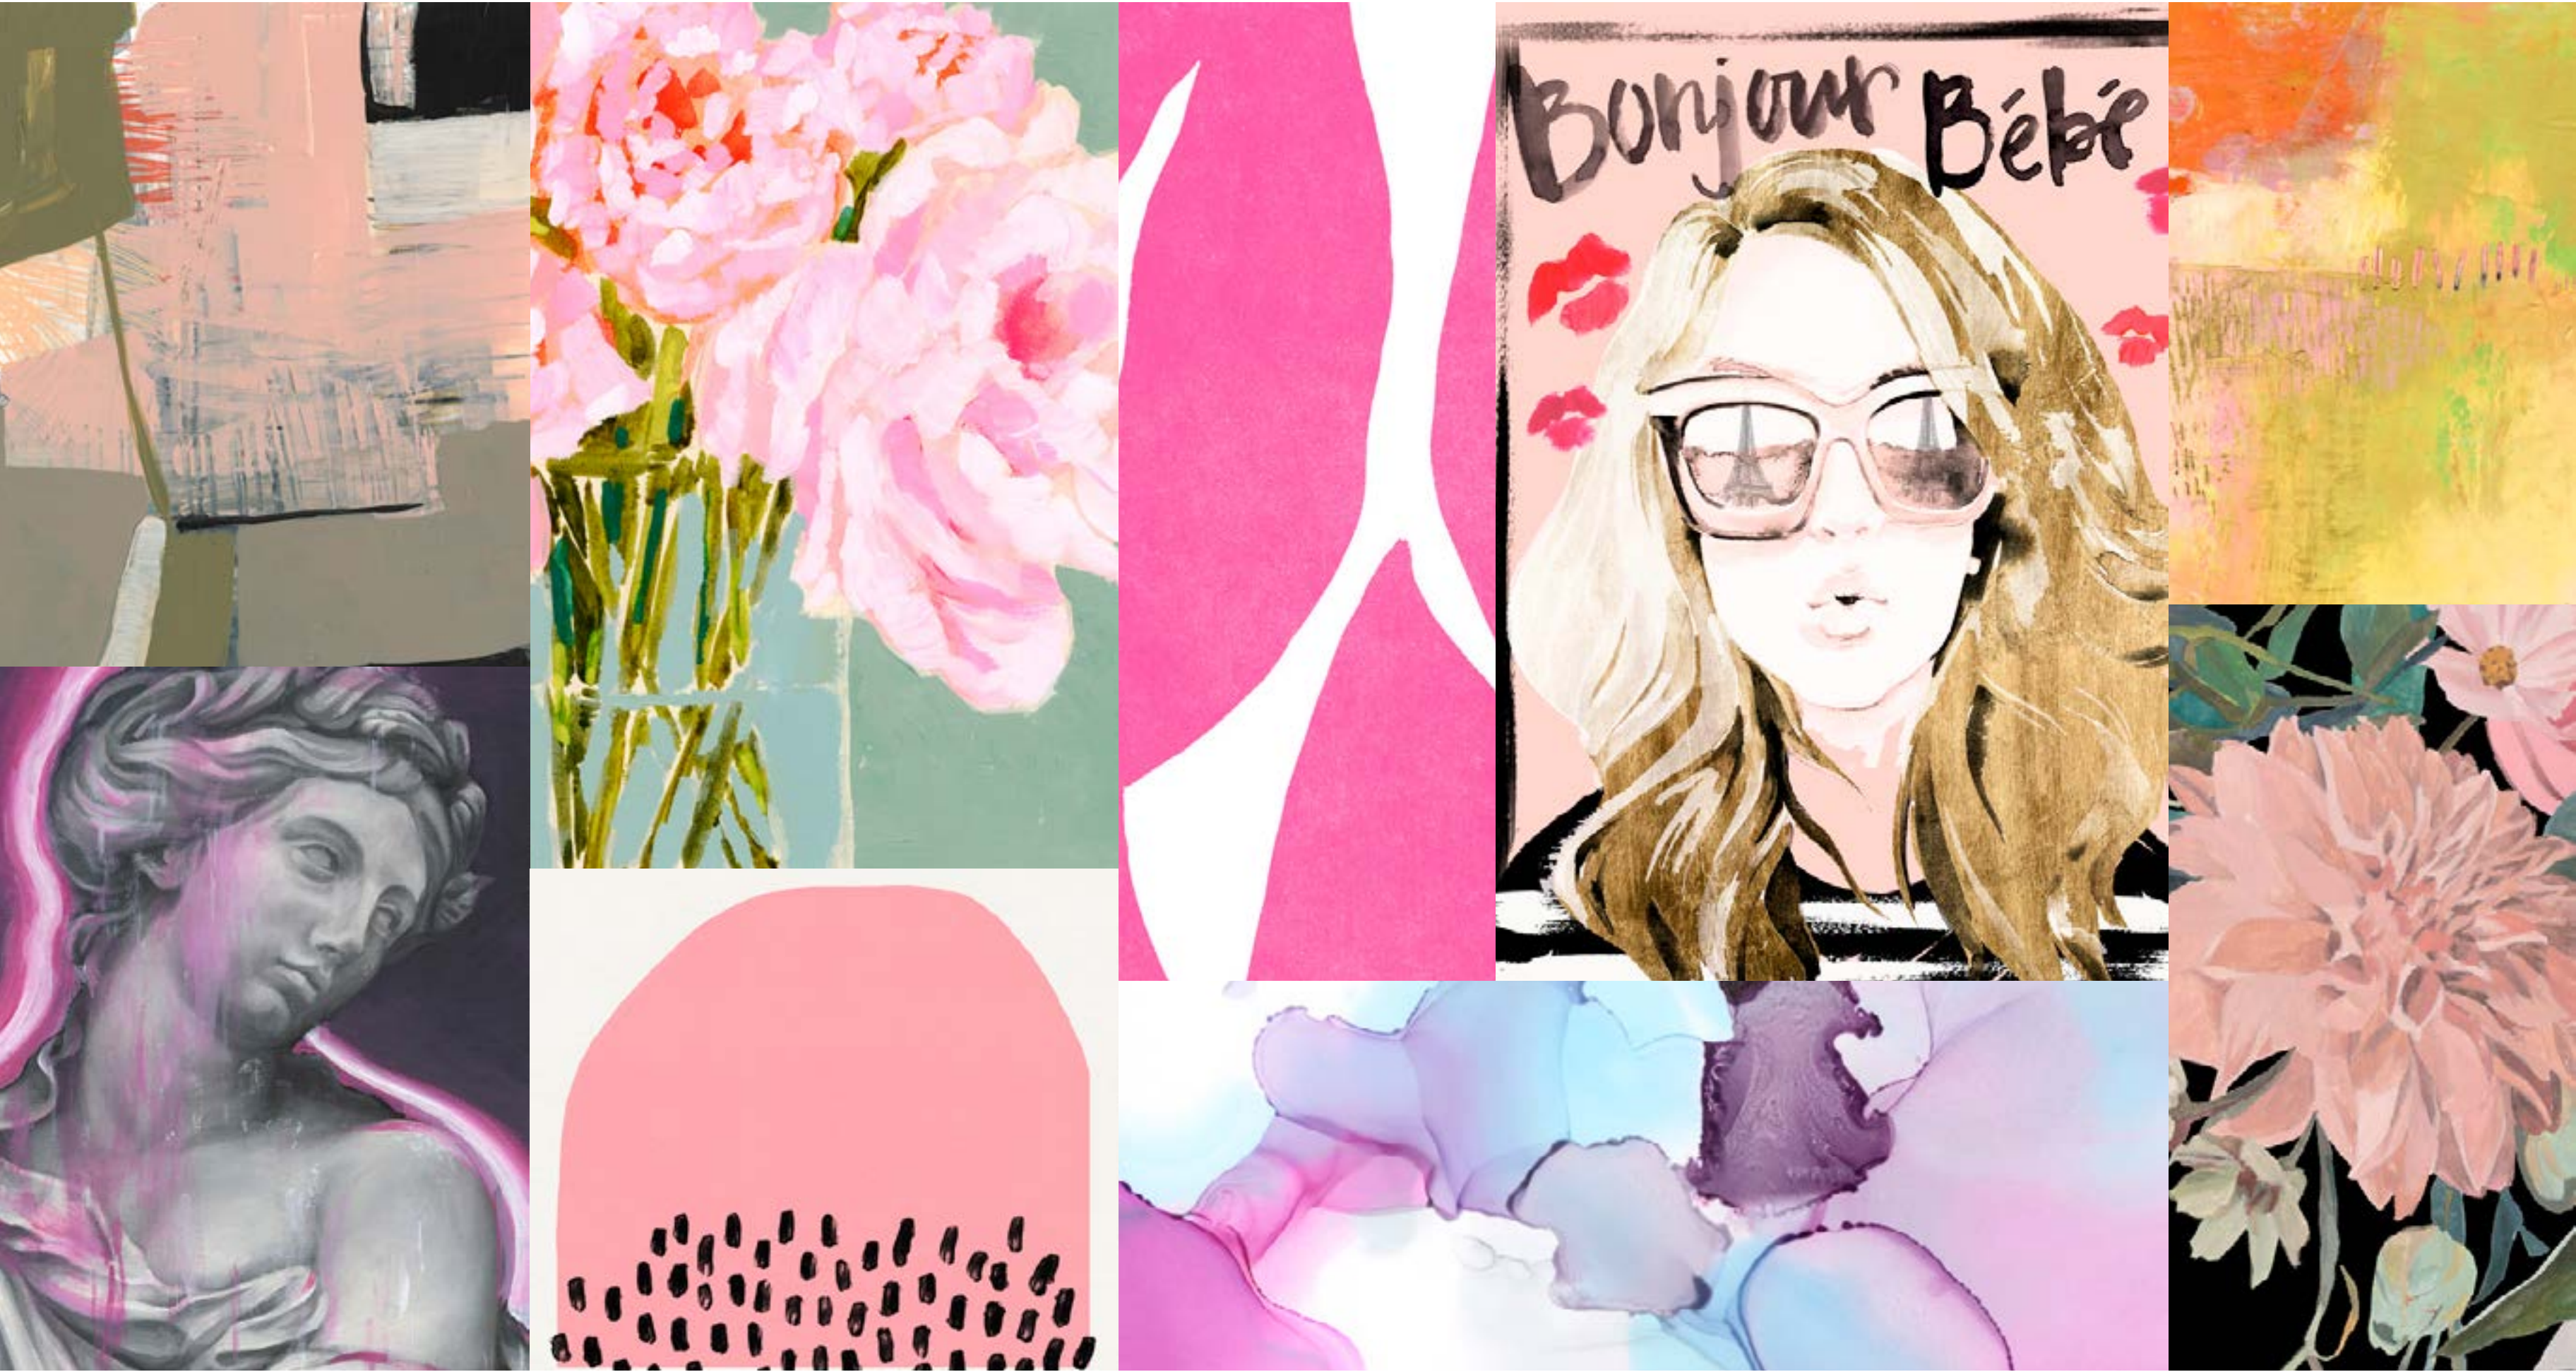

neutrals

Calming neutral tones that complement a variety of designs and styles. Add warmth and comfort to feel the restful vibes with this rich color palette.

pastels

A simply sweet color palette that is serene and dreamlike. Think soothing shades of mint, blushes and baby blues.

pink
Sweet and sassy. These bold shades of pink are sure to pack a punch. Balance with neutrals to create a softer more sophisticated look.

turquoise + teal

Easy and free flowing. These blue-green hues are reminiscent of natural water sources. Feel at ease with this immersive color palette.

yellow

Bold and energetic. This happy hue offers warmth ranging from citron to mustard. This year, combine yellow and grey for a modern elegance.

spice

This earthy infused color palette creates a grounded look. Think warm hues like burnt umber, cinnamon, and mocha. Pair with neutrals for a light and airy contrast.

orange

Relax and rejuvenate with this quirky hue. Add some of the softer shades of orange like peach or coral for a subdued look. .
